China and Other Houseware

It is a large world after all. Japan, France, England and America. If you see the variety of their productions in beautiful China, and view the prices from those of former times, you will know the best productions of the world are here in mechanic steps. The various beautiful decorations on China, the every want that women could call for. Showers of Lights, Chandeliers, Lamps, Pots, Dishes, etc. All of them are priced low as possible—whether you have 5c to spend or \$50.00, you will, of course, get the best for the lowest price at the Cohen Store.

There Were Never So Many Waists

The designers this season have really outdone themselves. The most becoming models are in combinations of Black and White, others are White Bodices with White Overdraperies. Some are all White, others Black—again there are fancy ones—some all bunches of lace, and then again—the China Wash Silk, made with embroidery or lace combinations. The Plain Simple Black Silk Waist also. No matter what is made that is tasteful, we endeavor to grasp it in this great sale of waists.
